Dear RCS Supporter, Parents, and Community Members:

Thank you for your support of our schools and students in 2014-2015. It is because of your support, our schools and students continue to thrive.

The Rutherford County Schools Education Foundation needs your help. Since 2012, through membership dues and other community giving, we were able to accomplish many of our annual goals.

A few of the major accomplishments we have achieved are:

- Establishment and continuation of Rutherford County Schools Hall of Fame (through membership dues)
- Over \$150,000.00 of donations to Rutherford County Schools for use in the Educational Initiatives (through pledges, dues, and grant dollars)
- Monetary donations to individual schools (through membership dues and private donations)
- Greater community awareness of educational initiatives and student successes from Rutherford County Schools.
- Continuation of elementary mentor programs, backpack program support, and Leader of the Pack 5K

As we look forward to another year of supporting our students, we need you to join our team. Our strength truly is in our numbers. The greater our member base, the greater impact we can have. As membership increases, we will continue to implement new initiatives such as teacher grants for innovative projects, student scholarships, educator recognition, community involvement, and community support.

Your support is needed as we continue to support students and teachers. Joining the RCSEF is simple and affordable; join online or via mail. Annual membership is \$25 for an individual and \$45 for a family. Please join today.

Sincerely,

Kevin Bradley – RCSEF Executive Director
